- Notes:**
1. RLBC tournaments are for "all gender", unless otherwise noted, for example, Triples teams can be made up of any three people regardless of gender identification. Where gender specificity is required the gender will be indicated, for example, Triples Women.
 2. An entry fee of \$5 per bowler will be charged for each event.
 3. Handicap tournaments are planned for two consecutive days, the first day for the qualifying rounds and the second day for the final rounds.
 4. Championship tournaments are planned for three consecutive days, the first two days for the qualifying rounds and the third day for the final rounds.
 5. In handicap tournaments teams are made up by open draw; in championship tournaments you form your own teams.
 6. You must be 80 years of age by end of the year, or older, to play in the Four Score tournament (No. 18).
 7. All above tournaments qualify for "bowler of the year" award except Tournaments Numbers 18, 19 and 20.
 8. Direct all questions to Tournament Director/Committee.
